PERSONAL PROFILE

I am Mark Kevin Corpuz, a Senior High School student at Utan Integrated School. I am a simple, hardworking, creative, and sometimes playful person. I enjoy taking pictures, recording videos, editing, using computers, and participating in festival dancing. I believe that challenges are part of learning, and I always try my best to improve myself and achieve my dreams.

CAREER OBJECTIVE

To improve my skills in photography, videography, computer technology, and editing while continuing my education. I want to gain more experience, learn new things, and become a successful person who can help my family in the future.

ACHIEVEMENTS AND EXPERIENCES

Photojournalism Journey

- Grade 9 – Piat, Cagayan: Participated in a photojournalism competition and gained valuable experience.
- Grade 10 – Sanchez Mira, Cagayan: Achieved 10th place in a photojournalism competition.
- Division Schools Press Conference – Buguey: Participated and gained additional competition experience.
- Photojournalism Competition – Abulug: Achieved 6th place, showing continued growth and dedication.

CAREER AND PERSONAL GOALS

My goal is to finish my studies, develop my talents, and build a successful future. I want to use my skills in photography, videography, editing, and technology to create opportunities for myself and help my family. I believe that with faith in God, hard work, and determination, I can continue growing and achieving my dreams.

“Mahirap man ngayon, kakayanin para sa kinabukasan.”

With faith in God, I will keep learning, keep improving, and never stop working toward my dreams.
